(1) The company recorded non-cash impairment charges of \$756.8 million during the period between 11/10/2008 and 12/31/2009. The charges were primarily related to long-lived assets at the company's stores and the company's investment in its Canadian subsidiary.

(2) During the period between 1/1/09 and 12/31/09, the company reversed items that had been recorded solely for purposes of complying with generally accepted accounting principles. Items reversed include accrued straight-line rent, certain liabilities subject to compromise and other reserves established under GAAP. The net impact of these GAAP reversals was a non-cash gain of \$282.3 million.

(3) During December 2009, the company recorded a net income tax benefit primarily resulting from the filing of a refund claim under the federal five year net operating loss carryback regulations.

(1) Income/Franchise taxes related to the fiscal year ending 2/28/09 are considered "postpetition" taxes because the ending date of the period on which the returns are based is postpetition.

(2) During March - December 2009, the company did not record a full tax provision. Therefore, the ending tax liability does not include an additional accrual for that period of time.
